- 1 **Synopsis.** *The Commission orders All My Sons Seattle's Best Pack and Load, Inc., Seattle's Best Pack and Load, Inc., and Washington Truck Rentals, Inc., to discontinue any unauthorized intrastate household goods moving operations in the State of Washington without obtaining permit authority from the Commission.*

- 2 **Nature of Proceeding.** The Washington Utilities and Transportation Commission (Commission) initiated this proceeding to determine whether All My Sons Seattle's Best Pack and Load, Inc. (AMS), Seattle's Best Pack and Load, Inc. (SBPL), and Washington Truck Rentals, Inc. (WTR), are operating, in concert, as a common carrier for transportation of household goods for compensation within the state of Washington without possessing the certificate required for such operations.

- 3 **Initial Order.** Administrative Law Judge Patricia Clark entered an initial order on August 18, 2009, finding and concluding that respondents AMS, SBPL, and WTR are operating, in concert, as a common carrier by unlawfully transporting household goods for compensation within the state without necessary authority, and proposing that the Commission order respondents to cease and desist immediately from intrastate household goods moving operations without Commission authority.

- 4 **Petition for Review.** No petition for administrative review was filed within the 20 days allowed by rule for filing. The Commission has reviewed the proposed order and the evidence of record and believes that the findings of fact, the conclusions of law and the order are consistent with the record, which demonstrates operations without possession of required authority.

V. ORDER

- 5 The Commission affirms and adopts the findings of fact and conclusions of law in the Initial Order in this docket for purposes of this proceeding. In so doing,

THE COMMISSION ORDERS That:

- 6 All My Sons Seattle's Best Pack and Load, Inc., Seattle's Best Pack and Load, Inc., and Washington Truck Rentals, Inc. must immediately cease and desist from conducting unauthorized operations in the state of Washington requiring a certificate under RCW 81.80.070 until the required authority is obtained from the Washington Utilities and Transportation Commission.

DATED at Olympia, Washington, and effective September 11, 2009.
